

PM5 Series

Pump Controllers | Pressure Switches

 Made in Italy

PM5-3W

Pressure Switches for Water Pumps with Integrated Pressure Gauge and 3 Way Fitting.

A unique solution allows to combine in a single article the functions of pressure switch, pressure gauge and 5-way connection. Easy and fast to install.

Features

- Pressure switches for booster sets with integrated pressure gauge and 3 ways fitting
- Easy and fast connection to the pump and to the pressure tank
- Robust plastic fitting with reinforced steel ring replacing common brass fitting

Applications

- Pressure switches for booster sets
